

## Arthur T. "Art" Pisano

June 20, 1941 - January 16, 2021

Arthur T. Pisano, "Art", of Liverpool and formerly Ft. Lauderdale, Florida passed away on Saturday, January 16, 2021 from complications of Covid-19 and pneumonia.

He was born in Schenectady, NY, son of the late Benjamin and Celia Pisano and served in the U.S. Navy. As a youngster, Art loved cars, especially shiny and new and shared his passion with others. This combination turned out to be the perfect backdrop for Art's chosen profession, automobile salesperson. For the next sixty years, Art shared his love with his many friends and loyal fan base.

Art spent his first twenty years selling Buicks for Pat Bombard Buick. He and Pat formed a close team that met with great success. Once you were Art's customer, you were his customer for life; after a sale, he followed his clients to ensure their happiness and satisfaction. Art's success could easily be seen in the many Gold Master Awards he received over the years and his long line of repeat customers.

After a short break, Art returned to Syracuse and accepted an invitation from Jack Revelle and George Townsend to join Honda City. Before long, Art began to build his new client base; he talked and shared his passion. His success could be seen in the many awards that adorned the walls of Honda City. It is not often that a person can work for someone who encourages you to be the best that you can be, but that is exactly what happened for Art. For the next forty years, Art forged a close friendship with George Townsend and his career met with continued success.

Art is survived by his brother, Frank (Carol) of Fla.; his sisters, Anita of Liverpool, and Barbara (Ken) Berkowitz of Ct.; his beloved nieces and nephews: Michele (Mark) Powers, North Syracuse, Mark Pisano, Fla., Nancy (Jeff) Gillette Gouin, Fla., Cynthia Berkowitz, Ct., and Jennifer Berkowitz, Ohio. In addition, Art is survived by his lifelong devoted friends: Donald Carulli, Syracuse, Brian Nichols, Syracuse, Jerry Burnette, Ft. Lauderdale, Fla.

Due to COVID-19 restrictions, there will be no services at this time. Services will be at the convenience of the family. Art will be laid to rest in the family mausoleum at St. Mary's in DeWitt.

In lieu of flowers, contributions in Art's name may be made to his favorite charity, St. Jude Children's Research Hospital, 501 St. Jude Place, Memphis Tn. 38105.

“ I met Arthur through Donald and Brian and he instantly became a part of our family. He was always the life of our parties and get togethers. Eventually, he referred to me as his "chickadee" and every time I saw him he would greet me with "how's my chickadee?" Arthur was like a brother to me and he will be missed terribly. There was nobody like him and no one can ever take his place.

May all of the cherished memories everyone has of Arthur bring you through this difficult time.

“ I would to give my deepest sympathy to all of Art's family and close friends. As for me he sold me cars since 1973 when he was at Pat Bombard Buick. After that he was selling cars for his former manager at Pat Bombard who went on his own business.

He sold me the first Honda Prelude in the Syracuse area. My family ,specially my mother loved Art and he admired my mother

My Dad was a union person and back then foreign cars where vu do to own." Buy cars made in America he would say"

In the show one day, Art and I where talking about the car and my dad was walking around the car and looking at it up and down all over the car and checking how it was aligned.

I never forget Art's words to me. "What in the hell is your father doing out there". I said never mind let him be. After surveilling the car, my dad came in his office and said " I don't believe the Prelude lines up perfectly". Art and laughed.

Since that time I have bought nine cars from Art with a total of 13 cars from Honda City.

I would love to bring my parents with me every time I pick up mynew car so they could see Art. We would kiss and hug every time we saw each other and it was such joy for me

to look forward and visit with him. He had a super personality beyond anyone one I knew.

He made buying a care a pleasure. He was knowledgeable in every aspect of Honda vehicles. My heart is broken for all the memories we shared together. He will always have a place in my heart along with my parents. Memories like that will always be with me.May

he have eternal rest in heaven for I know he is with my parents. God bless you Art and may you rest in Peace

Love you

“ Being Art's next door neighbor for 45 years has been a true pleasure. A nicer, kinder fellow you'll never meet. Always greeted me with a "hello darling". It just won't seem like spring this year without him out there filling his feeders for the birds. He sure will be missed.

RIP Art, I'm sure your mom and dad were waiting to welcome you and so, so very happy to see you once again.

“ My condolences to Art's family and friends. I remember him so well as he was my Honda salesperson who sold me my Honda's and we would chitty-chat every time I came into the dealership for service. He was perhaps one of the greatest car salesman in the industry and his expertise and professionalism was a skill all could learn from.
