“ Cyndi was my boss at moes for two years and my favorite memory of her was on Sunday morning shifts, she would give me money to pick up food for the entire shift. KFC, Denny's, All night eggplant and many more. So much energy and so much knowledge to share.

“ I am so sorry. Cyndi taught 4th grade religious education when I worked at St. Joseph the Worker. She was such a nice person. I looked forward to seeing her each week. When I moved to Brewerton she was working in a restaurant there and I was able to see her be friendly and make people happy.
