“ I’m so sorry for your loss, it’s at a time like this we truly rely on friends and family for support. Please take comfort in Gods Word the Bible. Revelations 21:4 speaks of a time “when death will be no more” please know you are in my thoughts and prayers.

“ To Carolyn and the Constas family,  
Our deepest Sympathy on the loss of your husband, father and friend. George (Mr. Constas to me) was such a special person who touched and made better the lives of everyone he met. A kind, thoughtful person and wonderful listener, he wasn't afraid to express his opinions (but always with love and respect). He could fix or print anything, and was very generous with his effort and time on those projects. He always had good advice and was someone everyone looked up to. I will never forget him and the positive influence he had on my life. To say he'll be missed is a huge understatement. May your many great and funny memories help you through this difficult time.

Love, Penny and Bob
