“ Jim, Dee, Rick and Kelly I'm so sorry for your loss of a super, super sweet special woman. She was so kind hearted to me and all the Tipp Hill neighborhood kids. She welcomed us into her home like it was ours. She fed us and loved us like her own too.

I have so many great childhood memories of your mom - from pajama parties, pizza, popcorn, Dukes of Hazard, dancing and laughing like crazy in the living room to our 70s music on the record player, swimming and etc. I had my first peanut butter and fluff sandwich compliments of Edee - which was magical and so yummy because Edee made it with her Edee love.

She lit up a room with her smile, laugh and the love she gave. She was truly an angel and one of a kind. Thanks Edee for being so sweet to me and Thanks for all the great childhood memories! All my love - xoxoxoxo
