“ Jane will surely be missed by the Slade's. We all became quite close to Jane over the years and she was a great source of comfort for all of us when life created certain challenges. After my dad stopped driving, Lisa and I frequently would take them out for coffee at Panera. It was one their favorite things. One special memory is when they were in their late 70s, and my dad needed his pacemaker taken out. I drove them to Philadelphia and stayed a few nights to make sure Jane was comfortable staying by herself in the hotel until dads friend went down and brought them home. “ I worked with Jane for many years at Kemper. She was one of the first people I met when moved to Syracuse, and I learned a lot from her at work. She will be missed by many.

“ Jane was a wonderful Kemper co-worker. Her capacity to remember specific claim #'s from the thousands in our office never ceased to amaze us. She was fun to work with and I always enjoyed the good-natured banter with another co-worker contrasting Sicilian with "true Italian" heritage.

God speed Jane.

“ I was so sorry to hear of Janes passing. I have only known her since she moved to Parkrose. She was one of my mothers table mates. Always had a smile. So sweet. I will miss seeing her in the halls of Parkrose.
