

Joan M. Logan

May 8, 1940 - February 22, 2021

Joan (Joni) M. Logan, of Fayetteville, NY.

The page was turned, and the name JOAN MARIE LOGAN was read from the Lamb's Book of Life. In that moment, Joan was a new creation, embraced by her Lord and Savior, Jesus Christ, the only Son of God. Reunited with family and friends missed for many years and creating worshipful music with an incredible organ and piano. Endlessly playing - with no constraints by time or worldly responsibilities.

Joni was born in Syracuse, NY on May 8, 1940 to Carmen P. Logan Sr. and Victoria Margaret Maloof Logan, joining her brother, Carmen P. Logan Jr., on W. Belden Ave with a spectacular rose garden in the backyard. Next door lived her paternal grandparents from Spadafora, Italy. Home life included a hard-working father, mother of Syrian heritage, music, good food, extended family and friends. The tree in front of their home was marked by those in need, to indicate, "Stop here. They'll give you food." These traditions were continued throughout Joni's own life bringing her enormous joy.

Joni walked to Porter School and her experiences provided many comical stories. Joni was a great storyteller. She loved making people laugh and was able to form instant connections that lasted a lifetime. As a teen, many friends were made through The Pompeian Players. Upon graduation from Central Tech High School, Joni followed her brother's footsteps into the world of making people beautiful and confident. She attended Syracuse Beauty School and joined Carmen at Car-Lo's Coiffures for most of her life. Joni was a talented beautician and enjoyed learning new techniques.

Joni was fiercely dedicated to her family. She worked part-time to be home with her children.

At 43 years old, Joni's life necessitated enormous, painful change but we know God works all things for His purpose. Joni worked tirelessly to succeed at a new career and retired in 2006 from the 5th Judicial Courts as a Sr. Court Office Assistant. After retirement, Joni continued styling hair but now had MORE time to enjoy the things she loved. Her grandchildren - attending their musical, theatrical and sporting events. Staying at her camp that faced the water of Lake Ontario and hosting get togethers. Playing her organ

and piano, polenta dinners, Red Hats, cards, antiquing, Piano and Organ Club weekends in Alex Bay, Rummicube and competitive games of Bocci with her son-in-law. Joni was instrumental in forming the first Women's Bocci League in Syracuse and ensured the trophies were taller than the men's!

Joan left us on February 22, 2021. Since November 2020, Joan resided at the home of her daughter, Joni Dominy. Son in law, Allan, and grandchildren Lexi and Greg were excellent caregivers. Joan passed surrounded by family, friends, music, laughter and lots of love. Exactly the way she lived. Thank you, Hospice of CNY, for your support. In addition to her parents, Joan is predeceased by her granddaughter, Victoria Rose Dominy.

Joan is survived by her children, Joan M. Dominy (Allan), Deanna L. Granato, and John A. Granato II (Renee); five grandchildren, Alexandra, and Greg Dominy; Logan, Lucas and Christian Granato; her brother, Carmen P. Logan, Jr.; her High School Prom date and loving companion, David Artini; four nieces, Elizabeth, Maria, Elena, and Lauren, along with many cherished cousins, especially Dominick Logan, she considered a brother and her sister-in-law, Mary (Mae) Constantin.

Visitation will be held on Saturday, March 6, 2021 from 1 – 3 pm, immediately followed by a Celebration Service of Joan's life at 3 pm at the THOMAS J. PIRRO JR. FUNERAL HOME, 3401 Vickery Rd. (corner of Buckley Rd.) North Syracuse, NY. To attend her service remotely, please visit Joan's tribute page at 3pm Saturday at tjpfuneralhome.com. She will be laid to rest at Woodlawn Cemetery Mausoleum in Spring. In honor of Joni, please consider wearing gold hoop earrings, bright lipstick and a shade of purple.

In lieu of flowers, donations may be made to Abundant Life Christian Center, 7000 All Nations Blvd, East Syracuse, NY 13057, or Hospice of CNY, 990 7th North St., Liverpool, NY 13088.

“ Oh Aunt Joanie, how much I treasured all your time spent with my wonderful Mother in law Rose Comtois, making pizza and just talking and laughing. Your kind, gentle ways won over my baby girl Alyssa, who liked no one but her mother!! Oh how she loved you. Your love of family, talking about your children all the time, made us all love you even more. You made the world a better place, and made each person in your life a better person just for knowing you. Condolences and prayers for your beautiful family, and your wonderful brother Carmen, who I am sure misses you terribly. ~Mary Comtois & family

“ Joni: You, Carman, Deanna, My Johnny, Lexi, and Pastor John did a wonderful memorial of your beautiful vivacious mother! I loved your mom! After all, I offered her my shoulder! LOL.....I think it was on or around the time of the Turkey/Greece trip that I had told her I didn't want to call her Mrs. Logan. I had said that it seemed to be too formal. I was raised to show respect for someone older than me. Also I thought that calling her Joan was not formal enough. I said: "How about Mama Joan?". She looked up and off to the side pensively for a few seconds. Then responded: "I will accept that." LOLShe will forever be Mama Joan to me! My sincerest sympathy for all the Logan family & David. Your sister in Christ, Wanda Frey

“ Since Central High in the late 50's, through monthly hair appointments, at her camp, opening, closing, meeting with David, Joan, Joe and me for lunches, lots of memories. Joan was a listener, a believer, and a comfort to her friends and family.

“ Peggy, you couldn't have said it better!!
On our way to the Funeral Home, Al pointed out to Lexi and Greg the location where we were married. I remember as soon as Al & I announced our wedding in 1991, she said, "You've got to talk to Peggy. She's the only one I want you to work with!" I quickly learned she was right. Thank you for your love towards mom all these years, Al & I and the kids. You're the best, Peggy. Mom loved you BIG !! “ Sandy,

The years of friendship you and Mom shared are beautiful.
All beginning with the love of Christ. You brought Mom happiness at all times and in so many ways. I was fortunate to also be on the receiving end of your love. She's waiting for us ... and having a glorious time until we arrive. Love you, Joni

Joni - March 08 at 10:48 PM

“ Dear Joni and Allan, Lexi and Greg:
We wish to extend our condolences to you and your family on the loss of your mother, friend, and grandmother. Though we may have never met her, we know that you loved her deeply. She has passed on to the next world, but the memories of your life together will remain with you. May you remember the good times and the cherished time, and a smile come to your face whenever you think of her.
With our deepest sympathies, Paul & Joyce Szemkow

Love will live forever in the memories you keep.
Time cannot erase a love so beautiful and deep.
Love is why your heart today feels emptiness and sorrow,
And love is what will bring you joy again in some tomorrow.
For love is everlasting and love is very real,
And nothing in this life can take away the love you feel.

Paul Szemkow - March 01 at 08:12 AM

“ Paul and Joyce,
Thank you for your kind words and poem.
You're right ... it's all about LOVE.
Praise God that LOVE NEVER ENDS.

Thank you for your words of comfort.
You know the work of caring for two parents simultaneously. Indeed, it was a beautiful blessing to have mom with us during her last days. We loved her straight into the arms of Jesus.

“ Joni & Family, John & Family, and Deanna,
Please know that my heart, thoughts and prayers are with you during this difficult time. The name Joan means “a gift from God” and “God is gracious”. Joan truly was a gift from God...she possessed the ability to always make those around her feel happy, special and loved. Joan always made my days at work in City Court brighter. When I close my eyes I can picture her warm smile and hear her beautiful laughter. I can see Joan wrapping herself up in her shawl she affectionately called her “babushka”. I can hear her tell the wonderful stories about her family that showed the enormous amount of love she had for them. Joan was a dear friend to myself and many others...she will never be forgotten and will remain in our hearts forever. May your memories of Joan and the love of family and friends bring you comfort and give you strength. With our love and deepest sympathy, Lori Bove and Family
