“ Tammy - This is Anita. I babysat across the street for the Walter's when I was 11 years old (starting in 1967). Your Mom was like a Mom to me. While Lynn was easy to watch, I remember once when Lynn's younger sister, Christine, would not stop crying and I called your Mom. She told me to lay the baby on her belly and gently pat her bottom and that the tapping noise from the diaper would soothe her and put her to sleep. It worked.

I'm sure that your Mom and Dad left you and your siblings with many wonderful memories. Cherish them ... and God Bless.

“ Sharon and Tammy, I am so very sorry for the passing of your mother. What a beautiful picture of Pat and a wonderful video tribute to her, she was such a outstanding human being. I got the pleasure to meet Pat at Syracuse Homes and right away knew she was such a special woman. Sharon and Tammy the love and support and dedication that you had for your mom was truly amazing and something I will always remember. Her face would light up every time she talked about her family and how she looked so forward to taking trips to restaurants or going to your house sitting outside in the sun. Anytime spent with family was a treat for her. I loved hearing stories about your childhood and how your mom always welcomed everyone into your home for maybe a plate of food or a swim in the pool. I loved hearing about your great father and how blessed your family was to have two amazing parents. I am sure gonna miss her and you guy's as well. She was definitely one of our favorites in the dietary department. Your whole entire family is in my prayers. Rest In Peace sweet Pat. Mary Cassidy, Syracuse Homes
