“ Deepest condolences from the family of Betty Madison (now Martans) and me, her daughter, Robin Lamson. Betty worked for Vicky's Grandparents, Mr. and Mrs. H. and knew Vicky since she was just a young girl. I had the pleasure of working at the grove when Vicky was waitressing...way back then, too! Our hearts broke to read of her illness and eventual loss of life. Vicky was so full of life and such a hard worker and certainly packed a lot in with the years that she lived. Our comfort to her family.

“ We are so sorry to hear of Vicky's passing. She was one tough cookie with a huge warm heart. She gave so much to the community and to her employees who loved working the bakes. The grove was one well greased wheel that made the party happen for thousands and she was the captain who made sure it happened no matter how big or small the event. I was lucky enough to run into her at Spira's groceries this summer and being as sick as she was, she was just happy to be out and still be able to drive. I got to give her one last hug and told her that she was one of the strongest women that I have ever met. Mark and family, we am so sorry that she lost the fight but she fought hard, she will be remembered by many by having grace, strength, beauty and humor. Her life was taken too soon but she lived it well while she was here. She has left a legacy for all of us that who have been fortunate enough to have her in our lives. Good bye Vicky and thank you for your generosity, leadership, and kindness to everyone you have ever met.

“ It saddens me to hear of Vicky’s passing. The memories I have of her, Nancy Fina, Judy Dzikowski & Him Harvey when we all lived on Smoky Hollow Road in the 80’s and would have parties with live music, 200 people and lots of fun are some of the best in my life. My sympathies to her family and all who feel the loss of this amazing woman. Anna Lattanzio

Anna Lattanzio - January 24, 2020 at 10:48 AM

“ Like Anna Lattanzio, I, too, have the most endearing and enduring memories of Vicky - and friends Nancy, Kim and Jill - from our times spent on Smokey Hollow Road. "A time it was, and what a time it was ..." One of my favorite memories of Vicky is when she came to a Halloween party on Smokey Hollow dressed as the Little Green Sprout, her companion as the Jolly Green Giant. Vicky looked adorable and it was one of the cutest and most creative costumes I had ever seen. Vicky's contagious laugh and smile could light up any room; that light will burn in our hearts forever. My deepest condolences to family and friends, to all who mourn the loss of this truly beautiful woman.

“ So sad to hear of Vicky's passing, but we know she is at peace with no more discomfort. Having met Vicky so many years ago and having the pleasure of working on bake committees for so many years. She took pride in caring for her customers, who had the luck of becoming part of an extended family. We can only hope she knew how much she was loved by so many. Our thoughts and prayers go out to the entire family during this difficult time.

“ The loss of Vicky Hinerwadel saddens so many of us and the legacy of Hinerwadel's Clambake Grove, even more so!! This was a very giving family, from her great grandfather, her father and certainly Vickie.

I grew up on Rita Drive and we would always play football on the side parking lot, when there were no clambakes going on. I remember her great grandfather telling us he would rather have us playing there than getting in trouble. He would then offer us a job picking clams off the conveyor after we were done playing. So much fun and we even made a little money. My older sister also worked during the large company clambakes that were held there.

Great memories from such a wonderful place. Proud to say that I only missed two of their "open bakes", even though I have lived in Tennessee for the last seven years, including the very last "open bake"!

“ We are so very sorry for your loss. Vicky was a friend to everyone and an unbelievable business woman with a great talent. It was always exciting each year to see what new changes she would bring to her family business at Hinerwadel's. It was amazing to follow the transformation through the many years of company clambakes. Vicky fought a courageous battle and will be truly missed. We all feel your loss deeply and offer prayers for comfort. God Bless you Vicky. -Gina Clifford and the Syracuse Chapter UEA

“ Condolences to the family . I was there helping the Engineering group every year, it was something I looked forward to every summer, Vicky and family always made the place something to enjoy, it was like an extended family , Vicky will be missed by all .

“ To the entire Family,

Please take comfort that all locally in North Syracuse, but more so all of NY State that had the honor of being served by not only Vicky but your Family over the years. Collectively, we feel your pain and loss deeply.

I personally will miss her beaming smile, and would love to learn how she used that smile to tell a complainer to go scratch "something" without uttering a word...just that smile...a true gift!

She was a professional, a staunch businesswoman and a hard worker; loved her Family and loved the Community Events she hosted... She will always be remembered by not only your family but of ours.
We all mourn with you.

Respectfully,
